Pledge Campaign 2018

January 2018

Dear Parishioners and visitors of the RC Church of Our Saviour,

Several generations have made it possible for us to worship in this building. Through the huge efforts and sacrifices of generous people before us, we now have a fine spiritual home for the English-speaking International Roman Catholic community.

The COS community has become a home for families of more than 1000 people from over 70 nationalities who visit here every weekend. Like any other family home, this building needs maintenance and has ongoing costs. The majority of our allocated budgets have covered these expenses but there is a lot more than maintenance needing done.

Fr. Sjaak started working in the parish in 1998. Since that time, the community has more than doubled in size. Maintaining the well-being of the people and the building has become too much for one priest.

This building was built for a special purpose. People come here to worship, for pastoral assistance, faith formation, the sacraments, and so much more. For all this to be possible at a high quality, we need additional pastoral staff.

Our Kerkbalans 2018 campaign is making an appeal to you for support to hire an assistant priest. In the Netherlands, the costs for a pastor are paid entirely by the parish.

We kindly ask you to help us finance the costs for an assistant priest. You can make a one-time donation or fill out a form for a monthly contribution.

With kind greetings and gratitude for your support,

Fr. Sjaak and the Parish Board
